1. Dick Kerr, ADDI 7E44 HQS				I would not recommend consenting to this request. We do not regularly supply anything classified to the JEC although we sometimes meet a request for a single classified pub. SOVA's "Monthly Review" does not go to the Hill and I believe it is too sensitive to be put in the hands of a committee outside of the 8 we regularly service.

FOLD MESSAGE FOLD

I received a call today from Richard Kaufman of the Joint Economic Committee. He requested a copy of an issue of the "USSR: Monthly Review" (SOV UR 82-008X), and also requested to be put on regular distribution for it. JEC does have the storage capability for Secret material. However, due to the sensitivity of the Monthly, and the Orcon implications for DO, you might want to bat this one around for awhile. I told Mr. Kaufman I would get back to him with our response. Please see what kind of reading you can get on this. Thanks,
